

We are so glad that our local community is thriving but with the increase in popularity of our area it is becoming increasingly difficult for clients to get to us—particularly those with older or ill pets. We are on the look out for a new site with parking for your convenience but for now please be aware that we have a small car space off the first driveway on Rakeevan Rd, or if this is taken, please call **3379 9260** and we will come out to collect your pet while you find a suitable park.

The map below shows the parking zones close by, for certain times of the day. All other areas are unlimited, unless signed otherwise.
